

YOUTH MINUTES

"But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law." Galatians 5:22-23

Sometimes we can get wrapped up trying to get everything in our lives going perfectly and we lose sight of the true aim. In anything we do the goal is always progress, not perfection. Much in the same way our faith can be overwhelming if we try to make everything perfect all at once. Instead, we should focus on one thing at a time and work to make that thing a success. Once that has been improved, we can move on to the next. My encouragement to us this week is to pick a fruit of the spirit per week to pray on and work at. If we make time in our lives for these then the blessings will rain down on us and lift us up to new heights.

And always remember that our aim is progress for the Lord and that He is the one who accomplishes true spiritual growth within us.
